Assistant General Counsel

Monthly Progress Report for March 1948

1. Submitted herewith is the report of activities of the Office of General Counsel relating to the Office of Special Operations. Those general functions of this office, outlined in the report of 2 December 1947, are substantially the same.

2. The Bureau of Employees' Compensation has completed payment in a number of cases of old business. There remain only a final accounting for funds disbursed. In addition to the compensation cases, this office continues to receive other types of claims involving old business.

25X1

25X1 3. There has been assigned to this office [redacted] [redacted] to assist in the work relating to the Office of Special Operations. No immediate effect will be felt of his efforts on current work since it is intended to acclimate him by assigning to him the clearing up of many matters of old business.

4. Continuing work is being done on the Special Funds Regulations, and they are nearing completion after discussions with the various offices concerned. A near final draft will be presented to you within the next week or ten days.

5. The matter of Career Agents has been given considerable time by this office together with other problems related to long range planning. It is anticipated that an increasing amount of work will be done by this office on such problems.
